OLD BUSINESS

Dissolution Study Committee update: Paul Bishop stated that what is possibly the final draft of information has been sent to chairman Tim Sears to distribute to the committee. As soon as the final draft is ready for release it will go up on the website and Clerk Gilbert will get a copy to the board members.

Mr. Charles and Howard Raven were in attendance to discuss the copy of the contract sent to them regarding the water sewer billing. 2014 was the last meeting with the Ravens. The wording FREE was put in place of exchange for use of the right away to the water reservoir. It also stated that the contract would end with the two Mr. Ravens resided at the residence, which they feel should remain in effect no matter who is there. This was all discussed at the June 2016 meeting. Discussion led to the decision that a 99 year time frame be included “ in exchange for “ will replace FREE, and for as long as the Village maintains the reservoir.

Trustee Higginbotham suggested for the agreement with the county for the water/sewer line to their new building that no specific amount be put in the agreement but that it should state at the current billing rate. This will cover any increases in rates.

NEW BUSINESS

Trustee Higginbotham inquired about unlicensed vehicles on village properties. Clerk Gilbert stated that state allows up to 2 unlicensed vehicles but will check with Jeff Messenger to confirm.
