## CC HIGHWAY BUILDING:

Mayor John Patterson saw the retention of the Chautauqua County Highway Department as a priority. Their beautiful new facility sits in the Sherman Township and provides local employment and business opportunities to the Village. It was a pleasure for Mayor Meeder and Mr. Patterson to be in attendance at the ribbon cutting ceremony April 26<sup>th</sup>, 2018.

Congratulations to the Chautauqua County employees led by Rick Heath for completing the move! The cooperative efforts of these men and women, alongside our municipal Streets and Water Department, is commended and greatly appreciated.

## 2018 EMERGENCY MEDICAL SERVICE PROVIDER OF THE YEAR

Congratulations to **BOB CRANE**, who was awarded the EMS Provider of the year award by the Chautauqua County Fire Chiefs Association—a prestigious honor for outstanding service!

Mayor Meeder was inspired by a couple of young members in the community cleaning up the neighborhood. While on a leisurely family walk, they were outfitted with blue gloves and plastic bags, picking up trash around the Minerva Free Library. This is a family that serves in multiple ways, and is raising their children to care and contribute to their community. As the needs of today can be overwhelming, it is uplifting to see families in Sherman, like this one in particular, that bring us all pride, hope, and a renewed energy. Mayor Meeder plans to recognize this family committed to serving in Sherman at noon at the Community Appreciation Day, June 16<sup>th</sup>, Stanley Hose Hall.

## COMMUNITY DOG PARK

Thank you Roxanne Young, with the 4-H Dog Program members, Kelly Maleski, with the Sherman FFA, and Steve Tenpas for volunteering to maintain the Community Dog Park. The November flood was somewhat destructive. All your efforts are greatly appreciated.

## NATURE CONSERVANCY

Rose VanVolkenburg and Debra Sanders (President Of the Sherman Chamber of Commerce) are working with The Nature Conservancy to make improvements along French Creek, including a new kiosk highlighting French Creek and Sherman information. Thank you both for organizing the multiple organizations and volunteers to help. For more information on how you can volunteer contact: Rose (716-761-6537) or Deb (716-499-3044).

## RAILS TO TRAILS

Thank you Makala Young and Jim Fincher, President of R2T, who are placing posts at the entrance to the trail along French Creek. This will clearly frame the entrance for summer hikers and winter snowmobiles.
