Doug Crane reported that the pumps have been inspected and violations updated. Report will be forthcoming.

The water lines in the Alley and on West Main are just waiting to be approved by health department and those results are expected any day.

The water issue in the Mack's parking lot is likely due to heavy rains as there has not been a leak located that is associated with this problem.

Water meters will be done by Jay and Brandon after the leaf pick up is completed.

Big trash pump was fixed by Larry. Switched to one alternator and seems to be working fine.

Still waiting to hear from JC Smith, EFC regarding the funding list

Trustee Higginbotham stated that she had been contacted by Bill Brosius regarding the deed to the village parcel of parking lot at the fire hall. It had been approved at one time to be signed over to Stanley Hose Co. Attorney Bolender had been contacted regarding this and had not returned her calls. Clerk Gilbert stated that he had been out of the country but should be returning within a few days. Clerk Gilbert has been in touch with Mr. Bolender regarding this issue in the past and was under the impression it had been done. Doug Crane and Jay Irwin both stated that they would bring this up at the fireman's meeting at the end of the month to be sure that this is still the intention of the Stanley Hose Co. Trustee Higginbotham wanted to set a time limit for this matter to be completed.
